Dear Parents/Carers,

**E- Safety Presentation for Parents
Tuesday 2nd May 6.00pm
Location – Ingleby Mill Primary School**

E-Safety is an important part of keeping children safe at Ingleby Mill Primary School. We have extensive security measures in place in school, which are monitored both internally and externally, to help safeguard pupils from potential dangers or unsuitable material.

E-Safety is taught to all pupils explaining and demonstrating how to stay safe and behave appropriately online.

We can only be successful in keeping children safe online if we work with you to ensure the E-Safety message is consistent. Your help is needed to talk to your children about how they can keep safe and behave appropriately when they are on the internet using computers, tablets and phones.

You are invited to attend the session on Tuesday 2nd May 2017 at 6:00pm at Ingleby Mill Primary School.

The presentation will last about 45 minutes. Due to the sensitive nature of some of the materials, this event is not suitable for children.

Please complete and return the reply slip below by Tuesday 2nd May to indicate if you will be attending.

Yours sincerely

Mr L Rix
Computing Subject Leader
