Ingleby Mill's Got Talent

Dear Parents,

The school council would like to let everyone know about an exciting event they are organising for the end of this term with a view to having some fun at the end of term and raising funds to enhance school playtimes.

The event is our very own 'Ingleby Mill's Got Talent' for years 1-6.

How will it work?

Next week children who would like to take part either as an individual or a group, will be able to sign up for the auditions, on a sheet in their classroom. There is a registration fee of 20p per person (we are trying to raise funds remember!) Talents can be many and varied; singing, dancing, gymnastics, magic shows, comedy acts etc as long as the act is no longer than 3 minutes and can take place inside.

The auditions will take place at the start of the last week of term (WB 3rd April). Children will perform in their own classrooms with one winner per class, 3 per year group (2 in year 1) – judged by their teacher alongside members of the school council.

The finals will take place in teams in the hall during the last day of term with classes from each team as an audience.

So how are we going to raise money from this exciting event?

Well we have already mentioned the 20p fee to audition. After that there is no more money involved until the finals. Here we plan to run it a bit like the TV show with a 50p audience charge (to be brought on the last day of term) for anyone who would like to vote. We are also looking into a bit of talent show merchandise which we let you know about nearer the time.

We have some money in our school fund already which has been allocated to enhancing playtimes. Anything we raise from this event will be added to this in order to purchase items on the children's wish list from our pupil survey in September.

Good luck everyone!

Yours sincerely,

Beth Atkinson and the School Council.
