

## Ingleby Mill Newsletter October 2017

I hope you are all well and had a lovely half term. It is definitely starting to feel a lot like Autumn – the leaves and colours around school are particularly beautiful at this time of year.

### Parent Consultations

It was lovely to be able to meet and greet so many parents and carers attending parents meetings last night. There is still one further parent / teacher consultation on Wednesday 1<sup>st</sup> November. This is a great opportunity to see children's work so far and find out, from their teacher, how they have settled into their new classes and look at the work they have produced so far. If you need to make an appointment or need to see your child's class teacher at an alternative time, please contact school. Please also be aware that we value ongoing dialogue between home and school and as such parents do not need to wait until official parents meetings to discuss issues or to ask questions – our doors are always open, please just ask.

### Year 1 and Year 2 Halloween Disco

Our children in Year 1 and Year 2 are very excited for their Halloween Disco this evening. All funds raised go towards equipment in school and help pay for transport on school visits. Your support for school events is greatly appreciated

### Harvest Donations

Thank you all so much for your very kind and generous donations to our Harvest Festival this year. All of the food was taken by Trussell Trust to distribute to families in need within our community.

### Safety around school

It is great to see so many of our children cycling and scootering (or is it scooting?) into school. We would always encourage this as long as on-site safety is taken into consideration. I will be reminding the children this week in assemblies to ensure they come off their bike or scooter as soon as they pass the school gate and walk it to the bike/scooter sheds. Please can I also ask everyone to stick to the paths around the school site and don't walk across the car park or under the barrier.

We are a no-smoking site, and this includes all cigarettes, including e-cigarettes and vapour cigarettes. Please do not smoke on site.  
Thank you.

NO SMOKING

### TERM DATES:

Autumn	Close	Fri 22 <sup>nd</sup> December
Christmas	Close
