The Rotary Young Photographer Competition is a well-established and successful competition that school is supporting this year.

The aims of the competition are to encourage young people to

- Experiment with photography
- Use digital and traditional methods of photography
- Show interpretation of their chosen topic
- Express their ideas through the medium of photography

Our children have been invited to take part in the Junior category (therefore this competition is only open to children in Year 5 and Year 6) and the closing date is March 31st 2017.

If your child would like to enter they must submit three photographs (each photograph must be A4) based on the theme '**Reflection**'. There are no actual examples to show as it is up to the individual competitors to show their interpretation of the chosen topic. The photographs can be either colour or black and white. Please note that photographs should not be mounted and should be on photographic paper. Please keep digital copies of your photograph as if your photograph is chosen it will be submitted to the national competition digitally. If you are unable to print your photographs or would prefer to email your photographs and then we can submit them on your behalf. Please send your three photographs to inglebymill.school@stockton.gov.uk.

In addition, each entrant should provide in no more than 50 words a description of the inspiration for their photographs.

PLEASE NOTE - Please can you complete the starred sections on the permission slip on the reverse of this letter and ensure it is signed and returned with the photographs. Photographs cannot be entered without it.

Good luck and if you have any questions please do not hesitate to contact me at school.

Yours sincerely

Mrs Coverdale
Deputy Head
