

Sports Premium Strategy: April 2017 – April 2018

Sports Premium Funding 2017/18: £10,800 with additional funding added in September 2017 this total became £20,980

Impact of sports premium spending - monitored by the PE/Sport champions in each team lead by Frances Smith/Ruth Hamblett

School Motto: - Imagine - Make a Difference - Persevere - Succeed	At Ingleby Mill Primary School we will use our Sports Premium funding 2017/18, to make additional and sustainable improvements to the quality of PE and Sport by: - developing and adding to the PE and sport we already offer - making improvements and investments in PE and Sport which will benefit pupils now as well as pupils joining the school in future years
--------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

How the money will be spent	Amount	Impact	Sustainability
1. Local sports partnerships - Stockton Schools Partnership - Conyers Secondary School Sports Partnership	£1,970	-We have offered a broad range of sports and activities to all pupils - Tag Rugby, Football, Tennis, Club links day, Swimming Galas, Tri-golf, athletics, Early years PE Festival, KS1 PE Festivals, Hoopstarz, Cross Country, cricket, Katie Morag event. There has been increased participation in sport by pupils of all sporting abilities There have been opportunities for talented sporting pupils to be challenged The profile of PE and sport has been raised across the whole	- maintain partnerships in future years - Links formed with other schools with similar sporting interests or expertise - sporting links formed with feeder secondary school

		school celebrating success across school.	
<p>2. Visiting sports coaches</p> <ul style="list-style-type: none"> - regular visiting sports coach to work alongside newly appointed teacher for September 2017 - PE Lead to identify areas where sports coaching could offer additionality to pupils eg: specialist gymnastics after school club 	£2,000	<p>Liam Cox worked alongside an NQT for one term. Mr. Fowler worked alongside, and supported, many staff throughout school. Target Tracker system has provided continuous assessment of progression throughout school.</p>	<ul style="list-style-type: none"> - investment in the future of teachers early in their career at IMPS - strong foundation of pupil basic skills built upon each year
<p>3. Transport costs to all sporting fixtures and events covered by school</p>	£3,000	<ul style="list-style-type: none"> -This has allowed good levels of participation in competitive, inter-school sport with costs being in excess of £3000 This has provided access to broader experience of a range of sports and activities available to all pupils 	<ul style="list-style-type: none"> - budget priority in future years
<p>4. Training</p> <ul style="list-style-type: none"> - Tagtiv8 (linked to active lessons below) - PE Lead/s input in staff meetings and release time to support colleagues as required (according to audit of staff skills and confidence) - Attendance at sports 	£1,000	<p>All staff had the opportunity to take part in Tagtiv8 training as a specialist CPD course and the subsequent resources were purchased. Staff meeting time allowed staff to develop further ideas to use in their PE teaching. Mrs. Hamblett attended the PE</p>	<ul style="list-style-type: none"> - cascaded training and sharing of good practice by PE Lead - training into action by staff

partnership briefings and training		Conference and disseminated information to others in school.	
5. Investment into the development of more active lessons across the curriculum	£3,000 (of which £800 dedicated to Tagtiv8 resources)	- Started. This will continue into next year's plan to reinforce and fully establish increased daily physical activity by 30 minutes. We hope this has helped in our long term aim to reduce the percentage of children who leave school in year 6 as overweight or obese to below national average	- sustainable resources which will be there for future years - cascaded training - written into policy and planning
6. Funding to run after school clubs targeted at children not normally chosen or actively involved in sporting activities - Change for life	£1000	We have increased participation in sport/fitness by pupils of all sporting abilities by targeted children attending the Change4life Festival and children taking up an invitational offer to attend an extra-curricular fun sports club.	- prioritise within budget according to impact of strategy
7. Workshops and visiting experts to offer sporting experiences not normally available in school Box2BeFit Skip2BeFit Skateboarding	£2000	All children (Years 1-6) had the opportunity to participate in one of these three workshops. We are investing in resources to make Box2BeFit sustainable across future years.	
Resources to sustain participation in school	£500		

8. Annual Health & Fitness themed week	£500	The Health and Fitness week took place with all children in school accessing a variety of additional physical activities. Both Sports Days took place as planned throughout the Summer term.	- annual event in school calendar
9. Replenishing PE resources	£1000	The resources were replenished as required to allow good access to the PE curriculum.	-ongoing
8. Playground Markings	£3000	Designs have been consulted on and agreed and will be implemented during the summer term.	- established resource for use in future years
9. EY outdoor development	£2000	Each team was allocated new resources and storage facility to ensure that physical activity and early motor skills is a focus in EY.	- established resource for use in future years
10. Mini medics workshops	£500	Time and booking unavailable until next year.	Booked for next year.
