14th January 2019

For the Attention of Parents/Carers of Children in Y6

Dear Parents/Carers,

We would like to invite you to attend an information session regarding your child's learning on Thursday 24th January at 6pm. During the session we will share with you important information about the forthcoming National Tests which your child will take during the week of 13th May 2019.

The session will be led by Y6 teachers and will give you an opportunity to hear about what the children will be learning in the coming terms, what you can do to help your child with learning at home and how your child can make the most of the two terms he/she has left at Ingleby Mill. Y6 children are invited to attend with their parent(s) but we are unable to offer places to younger siblings.

There have been significant changes to the way children are assessed and even if you have had older children go through National Tests already, we would recommend that you still come along as this year's papers look set to be very different and there will be no "level" judgement made. We will share what we know at the event and we will try to answer any questions you may have.

In order to help us plan for the event, please complete and return the slip below before Monday 21st January 2019.

Yours sincerely,

A Dent

C Mellor

S Frank

I will/will not attend the information event for Y6 children and their parent(s) on Thursday 24th January 2019.
