Monday 15<sup>th</sup> May 2017

Dear Parent/Carer,

The children in Nursery and Reception are having a visit from some real animals on Wednesday 24<sup>th</sup> May.

The handler will bring a variety of small animals and insects that the children will be able to see and touch. This is a really special visit that has been funded through school and is a free event for the Foundation Stage children.

As the children will hopefully be able to touch the animals we need to know if your child suffers from any allergies that may be affected by this activity.

**If your child does have an allergy please make the class teacher aware, in writing, before Wednesday 24<sup>th</sup> May.**

Thanks for your cooperation.

Foundation Stage Staff
