Dear Parents/Carers,

### Uniform Consultation

Following on from the outcomes of the survey sent to parents, pupils and staff in September, I would like to consult parents on whether you would be interested in looking at any uniform changes ready for September 2017.

Survey responses from some parents and staff suggested that the uniform should be smarter, and responses from some children suggested that a more colourful uniform would be nice.

School councillors have already discussed this with their classes and have taken a vote. The majority of children across school voted that they **would** like to look at some alternatives to the existing uniform. They understand however that they are just one part of the vote and that parents/carers (as the uniform buyers) must also have a say.

I would therefore like to consult on the following:

Would parents/carers like the school to look at alternative uniform options from a range of suppliers?

This is just the first stage of the consultation. If the answer is mostly no, then the consultation will go no further. If the answer is mostly yes, then we will look at a wide range of options and present this information (along with costs) to parents, pupils, staff and governors for further decisions.

If you want your opinion to be heard then please complete and return the reply slip by Friday 20<sup>th</sup> January 2017. Please note it is one vote per household.

Yours sincerely,

Mrs. Beth Atkinson
