Dear Parents / Carers,

We are aware that there has been some concerns raised regarding how children enter school on a morning. We have noticed that there is a rush when the door opens and it may be difficult to see your children enter the school.

We do have two members of staff on the door on a morning to keep an eye on the children until they are safely in the school.

Moving forward, we ask that the children remain away from the door until the door is opened so that it provides space for the children to walk into school safely. If any parents have a message that they would like to pass on, please wait until the children are in school and then our teaching assistants will be happy to take any messages.

At the end of the day, there is a Year 1 and a Year 2 class that leave through this door. For safeguarding reasons, we ask that you stand away from the canopy so we can hand over your children safely.

Thank you in advance for your cooperation.

Year 1 and 2 Teachers
