Dear Parent/Carers,

We would like to invite all of our Year 2 parents/carers to attend a SATs presentation in school. This presentation will explain what children are expected to know by the end of Year 2 and will offer suggestions of how you can support learning at home.

Our SATs workshop will be at 2:30pm on Tuesday 20th November.

What are SATs?

Key Stage 1 SATs are taken by children at the end of Year 2. They are administered so that teachers can see how much progress children have made throughout the Key Stage. They also help to identify which children are below or above average for their year group so they can be given extra support.

What test will they take?

The SATs consist of 2 reading papers, 2 maths papers, a spelling paper and a grammar paper.

Reporting to Parents

By the end of June all schools must report their pupils' results to the Local Authority. The final teacher assessment will be reported to parents via the child's end of year report.

Please confirm if you are able to attend the meeting.
