Dear Parents/Carers,

Wear Green Day for the Rainforest Alliance

Children in Year 6 have been learning in RE about how a range of charities support good causes around the world. One of these charities, The Rainforest Alliance, sparked the interest of two of our Year 6 children; Charlotte and Katie. They discovered that a huge amount of trees are being chopped down every day for paper industries around the world. They also learned about the impact of this on animal habitats as well as the impact of deforestation on the air we breathe and climate change.

As good Ingleby Mill citizens, Charlotte and Katie came to see me to ask if we could do something as a school to support this charity.

Their suggestion is that we wear **green** for a £1.00 donation on the last day of this half term, Friday 24th May, and that this money be donated to The Rainforest Alliance.

How could I say no?

Therefore on Friday 24th May, anyone who would like to support this charity can wear something green and donate £1.00. I am sure that classes will follow this up with activities during the day.

Yours sincerely,

Beth Atkinson, Charlotte and Katie.
