

## Ingleby Mill Newsletter May 2019

**Well that was a quick half term – but what a lot we have packed into it!** - Well done to our year 6 and year 2 children who have taken their SATS tests and assessments during this half term. I couldn't be more proud of their hard work so far this year and their positive approach to taking the tests.

Our year 6 children followed their SATS week with a residential visit to Robinwood for 3 days of outdoor adventures. Check out our Twitter and Facebook pages for photographs of this fantastic visit during which the children demonstrated their courage and sense of adventure.

The Summer term is when we take part in a whole range of sporting tournaments. Huge congratulations to our year 3 tennis players who were winners of the Conyers Cluster Y3 Tennis Festival Cup. Equally huge congratulations go to our year 6 cricketers who were winners of the Conyers Cluster Y6 Cricket Festival Cup.

Also this term, Mrs Hamblett accompanied a group of our children to the Stockton Athletics tournament at Stuart Park. This was the first round and all those taking part gave it their all. I am pleased to say that 12 of our children were placed in their events and therefore go through to the next round to take place in June.

We have enjoyed some fabulous class assemblies this month from:

Sweden class (Y4) – I think Freddie Mercury featured in this assembly

India class (Y5) – a fantastic, dramatic presentation with history at the forefront

Darlington class (Y1) – Mrs Lake didn't quite look herself during this assembly where the class took us through everything they have learned since September!

England class (Y3) – a really moving assembly, again giving us a guided tour of their learning this year through songs, drama, reading and presentations of individual talents.

We were also thrilled to welcome Bill Scott (OBE) into our main school assembly earlier this term to

talk about his contribution to engineering on Teesside and of course to give us some of the details about his visit to Buckingham Palace for his award. Our children were truly inspired by the story of his life.
