Dear Parents / Carers

Year 1 Visit to Shildon National Railway Museum - Thursday 14th November 2019

We have planned a trip for our Year 1 children to visit Shildon Railway Museum to support our topic work this term based on George Stephenson's 'The Rocket'. We have looked at steam trains in books and pictures but the trip will provide the children with an opportunity to access the cab of a steam train and see the controls up close. There are also many resources there to support our history based work and make future learning for the children even more exciting.

The visit will be a whole day trip and school will pay for the cost of the transport. Whilst admission is free to the museum they do rely on donations and we are asking for £1 voluntary contribution for the day. Please pay online for this trip by visiting www.schoolgateway.com

Your child will need to wear school uniform and a coat on the day.

Those children who have a school dinner will be provided with a packed lunch on the day. Children who normally bring a packed lunch each day need to do so as normal.

If you hold an up to date DBS (formerly CRB) certificate and are able to offer your help on the day please speak to your child's teacher.

Many thanks for your support and co-operation,

Yours faithfully
