Bright Futures Week

At School during the week beginning the 10th February we are hoping to be holding a 'Bright Futures Week', where we look at the various roles and experiences that maybe in store for our young children at Ingleby Mill, to inspire the next generation. This was such a huge success last year and we are hoping to build upon it this time!

Therefore, we are hoping that some of you may be able to come into school and chat to one class, (or maybe three!) about your chosen vocation or journey into your career and hopefully inspire the next steps in the amazing futures that lie in store for our children.

Please could you let your child's class teacher know if you were able to spare a few minutes during that week to chat to the children and we will try to arrange a convenient time to both!

Thank you in anticipation

Year 3 and 4 Staff.
