20<sup>th</sup> March 2020,

Dear Parent/Carer,

Thank you for your understanding in the last few days as we have probably bombarded you with information regarding the closure of school at end of business today.

The majority of our children will be working from home. We thank all of our parents for supporting this as we all have a duty to socially distance and help prevent the spread of coronavirus to our children, staff and families.

Children in school have their work packs and online learning login details ready to bring home today. Thank you to everyone who has arranged collection of their pack this afternoon if your child is not in school. Please do not worry if you haven't been able to arrange collection as remaining packs will be delivered next week.

The school office will be open every day from 8.30am to 3.30pm so if you would still like to order a class photo you can bring your order form into school and hand it in.

We will contact you when the Year 6 leaver's hoodies arrive in school so you can call and collect them.
