Dear Parents/Carers of children in year 4

Walking home alone permissions – YEAR 4 – Mr Rix's Class

In previous years we have given parents of children in years 5 and 6 the opportunity to give their children permission to walk home alone if they wish to do so. After much consideration following a couple of requests from parents, we have decided to extend this decision to parents of children in year 4.

In giving permission for your child to walk home alone please ensure that you are satisfied that your child will do so safely with adherence to road safety, social distancing and good behaviour within the local community. This is completely your decision as a parent. You know your child and their journey home.

If you decide that it is not right for your child yet then you do not need to do anything and teachers will continue to release your child to their authorised adult/s at the end of the school day.

If you want to give permission for your year 4 child to walk home alone please complete the permission slip below and return via email to your child's class teacher at: imlrix@sbcschools.org.uk

Some parents like to arrange a meeting point for their child, a distance away from school. In this case we would also require walking home alone permission.

Children who have permission to walk home alone will be dismissed at 3.15pm.

Many Thanks,

Mrs Beth Atkinson
