Dear Parent/Carer

We do not allow children to use mobile phones in school. However, as some of our children in Year 5 and Year 6 walk home alone or part of the way on their own, we appreciate that for safety reasons you may wish to allow your child to have a mobile phone on them in case of an emergency. We would like to make parents/carers aware of our regulations in regard to mobile phones being brought to school.

- ❖ Only children who walk alone may bring a mobile phone.
- ❖ Mobile phones are not to be used by the children as they walk to and from school for entertainment and must only be used to contact parents/carers or in the case of an emergency.
- ❖ Children are not to use their phone cameras while walking to school.
- ❖ Mobile phones will be handed to the class teacher during the school day and must not be left in their bag or coat pockets.
- ❖ Children are not allowed their phones on in school and they must be switched off while in school.

We would be grateful if you could email back the following statement, by doing so you are agreeing to follow the above regulations.

Also please be aware that school does not take any responsibility for the phone while it is on our premises.

Please note any child breaking the regulations set by school will not be able to bring their phone to school.

If you have any questions regarding the above then please contact me at school.

Yours sincerely

Mrs K Coverdale

Please copy, complete and send via email to your child's class teacher.

I give my child permission to carry a mobile phone to and from school and understand that school is not responsible for the mobile phone. Also I agree that my child will comply with the regulations regarding the use of the mobile phone.
