

Ingleby Mill Catch-Up Premium 2020/2021 - For the academic year 2020/21, school have been allocated catch-up funding from the government. Schools should use this funding for specific activities to support pupils to catch up for lost teaching over the previous months, in line with the curriculum expectations for the next academic year. While schools can use their funding in a way that suits their cohort and circumstances, they are expected to use this funding for specific activities which will help pupils catch up on missed education.

Schools will receive the funding in 3 tranches.

1. Autumn 2020 – this is based on the latest available data on pupils in mainstream schools and high needs place numbers in special, AP, hospital schools and special schools not maintained by a local authority.
2. Early 2021 – based on updated pupil and place data. This payment will also take account of the initial part payment made in autumn 2020 so that schools will receive a total of £46.67 per pupil across the first 2 payment rounds.
3. Summer 2021 term - a further £33.33 per pupil.

For Ingleby Mill this means:

Autumn Term 2020 - £10,920, Spring Term 2021 - £14,561.82, Summer Term 2021 - £18,198.18 = Total: £43680
