30th June 2023

Dear Parents/Carers,

Non-Uniform Day for Cancer Research – Friday 14th July

A group of year 6 pupils have asked if we can hold a non-uniform day before the end of term to raise funds for Cancer Research. The group of children each presented their reasons to me about why raising funds for this charity is so important and for some of the group, how members of their family have been directly affected by cancer. They made a powerpoint slide show to support their presentation. I was very moved and completely agree that this would be a worthwhile thing to do as a whole school.

We will therefore hold a whole school non-uniform day on Friday 14th July when children can come to school in their home clothes for a donation to Cancer Research UK (we are giving a suggestion of £1.00).

At breacktime on Friday 14th, the year 6 group will sell a range of items to children in years 1-6 which they have made such as bracelets and pom-poms along with bookmarks and stickers. Any children interested can bring along a small amount of change for playtime.

I hope families feel able to support this worthwhile cause as well as showing our children that their opinions matter.

Best wishes,

Beth Atkinson, Ava, Eden, Cora, Aaira, Willow Mc, Willow CW, Maddie, Megan, Isabel
