24th April 2023

Dear Parents,

Safety Notice

This morning I noticed a couple of parents of our youngest children (years 1 and 2) dropping children off in the car park and allowing them to get themselves into school.

It is important that the person who drops off at the start of the day can see their child through the classroom door before leaving. This is the point at which supervision by school staff begins. The school site is busy in the mornings and parents should note that the gate at the other end of the playground (by year 6 classrooms) is also open in the mornings leaving a direct route through the school site and out the other side. There are always staff out in the playground at the start of the day but their main role is to provide a welcome and to be available to take messages from parents which need to be passed on to teachers.

Thank you for your co-operation in this matter.

Yours sincerely,

Beth Atkinson
