Bright Futures Week

In the week beginning the 20th May, we will be inviting visitors into school to talk to the children about their careers and hopefully inspire our children. If you would like to share your career with the enthusiastic listeners, please let your child's teacher know.

Curriculum

As usual we will be continuing English and maths on a daily basis.

Year 6

English lessons will be linked to A Midsummer Night's Dream and Macbeth

Science topic - 'Light and Electricity'

Geography topic - 'Mapping Skills'.

Year 5

English lessons will be linked to 'Beowulf' Kevin Crossley-Holland version.

History topic - 'The Anglo Saxons' followed by 'The Vikings'

Science topic - 'Living Things and Their Habitats'

Geography topic - 'Counties'.

PE

Y5 and Y6 will continue to have PE on both Thursdays and Fridays. May we take this opportunity to remind everyone that earrings are not to be worn on a PE day, if your child has recently had their ears pierced they need to be taped at home for PE.

Homework

In Y5 homework will be set via Seesaw and/or Active Learn. Children in Y6 will continue to work in their CGP SAT Buster books. We continue to expect the children to read on Reading Plus, we recommend this three times 30 minutes a week.

Kind Regards

Year 5 and Year 6 Staff
