Wednesday 25<sup>th</sup> September

Dear Parents/Carers,

As part of our science curriculum, we have booked a visit to the **Centre for Life** in Newcastle on **Friday 4<sup>th</sup> April 2025**. This trip will see the children take part in two space-related workshops as well as visiting the planetarium and they will be given the opportunity to see most of the museum itself. We know that this will be a very exciting trip and the children will gain a great deal from it.

We are asking for a voluntary contribution of **£16.50 per child**. This only covers the admission cost for each child, the expense of the buses will be covered by school. To support their learning about the Ancient Greeks, school has arranged for a visitor to come in, the cost of which will be covered by school. We are hoping to arrange a trip for the summer term, details of which will be sent out in due course.

Children will need to bring a packed lunch, water bottles and snacks. If your child has a school lunch, a packed lunch will be provided for them. They will need to be in school uniform and, although the visit is entirely indoors, the children should still bring a coat in case of any bad weather getting to and from venues and the bus.

Please access the Arbor app to consent and pay for this visit.

Many thanks,

Year 5 Team

Mr Carter

Miss Mellor

Miss Thornton
