Dear Parents and Carers,

School Meal Price Increase

We have recently been informed by Stockton's Catering Service that the cost of a school meal will increase from **1st September 2026**.

The revised charge will be:

- **Current meal price:** £3.20
- **New meal price:** £3.88

This increase is a result of rising catering and food costs and has been determined by Stockton's Catering Service. As a school, we have no control over the pricing of meals.

We appreciate that any increase in costs is unwelcome and thank you for your understanding. Stockton's Catering Service remains committed to providing freshly prepared, nutritious meals for our pupils each day.

Yours sincerely

Janis Williams
